Portage Industrial Exhibition Association

Welcome to the 2024 Portage Industrial Exhibition!

Located on Portage la Prairie's 'Island on the Prairies' July 5th, 6th & 7th, 2024

On behalf of the Executive, Directors and Staff of the Portage Industrial Exhibition I would like to welcome everyone to the Portage Ex. We are very excited to host such an event and have everyone enjoy their time with us.

Portage Ex holds the distinction of being one of Western Canada's oldest continuously running fairs. We have Select Shows Midway, Cattle Shows, Light Horse and Miniature Horse Shows, Ricklyn Farm Petting Zoo, and Entertainment across the grounds for all ages!

The MNP exhibition building has vendors, old time dancing, and domestic displays made up of mostly local talent. New for 2024 Ag on the Moove.

We have ample green space for children's activities and added more food vendors!

There is something for everyone at the Fair!

Our 2023 Portage Ex parade was such a success, we are having it again! We hit the streets Wednesday July 3rd at 7pm.

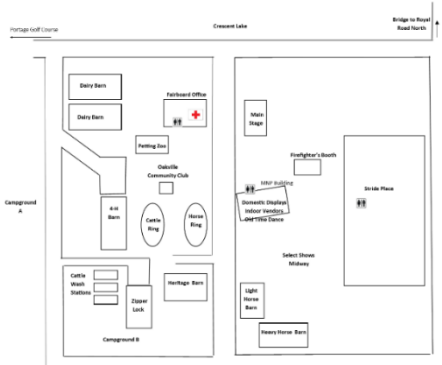

Our grounds and facilities can be rented for multiple uses all year round. Stay at our campground and enjoy the close amenities of Stride Place, Splash Island and Portage Golf Club.

We would like to thank all our past and present sponsors and attendees for their continued support of our historical fair.

We are proud of our exhibition grounds and facilities and wish to thank our Directors, Associate Directors, Staff and Volunteers for their dedication and hard work to make our Portage Ex a success.

GENERAL RULES & INFORMATION

All articles in this Department will be received for Exhibition only; no premiums will be awarded. Manufacturers, dealers, and inventors are cordially invited to exhibit, and every opportunity will be afforded for a splendid show and every facility given to display their exhibits.

The Association will not be responsible for any damage that may be sustained by persons or property, by handling of machinery on the grounds during the Fair, and if injuries are sustained in any way the owner of such machinery that has inflicted the injury shall be liable to such persons for the injury sustained. Persons exhibiting machinery at the Exhibition must do so with this understanding.

APPLICATION AND ALLOTMENT OF SPACE

For the exhibit of all classes of manufacture, application for space should be made as early as possible. Allotments of outside space will be made the Wednesday prior to the Fair. Entries received after that date will be dealt with according to the amount of space disposed of.

In the allotment of space, the committee reserves to themselves the right to place exhibits in any department to which, in their opinion, they properly belong.

PREPARATION OF EXHIBITS

Exhibitors of machinery are respectfully notified that all goods must be in position no later than the time specified by the Association.

EXTENT AND CHARACTER OF EXHIBITS

Where space has been awarded to any Exhibitor, the Board of Directors reserves the right, in case any such Exhibitor shall fail to have his exhibits placed by the proper time or shall fail to make or maintain a credible display to declare the space allotted to him, or any portion thereof, forfeited.

Any Exhibitor or Attendant making unseemly noises or otherwise calling the attention of visitors to his exhibits in any way that may be considered by the Board a nuisance, will be liable to forfeit his space and all privileges as an Exhibitor, if the Board of Directors so determine.

LIABILITY OF EXHIBITORS: INDEMNIFICATION OF THE PORTAGE INDUSTRIAL EXHIBITION ASSOCIATION

Exhibitors of animals, machinery in motion, and other exhibits liable to cause accidents, injury, or damage to persons coming in contact with them shall guard their exhibits and protect the public from coming in contact therewith and every Exhibitor shall indemnify the Association from and against all claims and demands, costs and charges, and expenses which it may occur, suffer, or be put to by reason of any accident or if any person being injured or suffering damage through or by reason of any such exhibit not being properly guarded or the public not being properly protected therefrom.

No claim for injury to any person or property shall ever be asserted, nor suit instituted or maintained against the Association, its Officers, or their agents, by or on behalf of any visitor or any person, firm, or corporation, or their Agents, representatives, servants, or employees having license privilege to exhibit on the Exhibition Grounds or occupying any space thereon.

Any damage, loss or injury to persons or property caused by reason of any neglect or willful act of any person, firm or corporation, their agents, representatives, servants, or employees having license, or privilege to exhibit on said Exhibition Grounds, or occupying space thereon, and in case it be subject to any expense or liability, all persons causing same or liable therefore, shall indemnify the Association.

Any person who willfully or maliciously injures or destroys any property within the Exhibition Grounds, or who shall interfere with or hinder or obstruct the Officers or servants of the Association or any policeman or officer of the law in the discharge of his or their duty or gain admission to the grounds in a surreptitious manner and contrary to the rules of the Association will be prosecuted.

PAYMENT OF PRIZES

The Directors reserve the right to limit the total prize list to an amount equal to the net receipts after payment of all existing expenses. In the event of the net receipts after payment of all expenses being insufficient to permit the prize list being paid in full, each prize will be reduced pro rata accordingly and all entries received are on this distinct understanding.

MISCELLANEOUS

Where space has been awarded to any Exhibitor, the Board reserves the right, in case any Exhibitor shall fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited. Exhibitors must arrange their exhibits in as attractive a manner as possible, and fill the space allotted to them.

The Board reserves the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the arrangements of entries on exhibition so far as the same may be necessary to secure harmony and an attractive appearance.

Exhibitors will not be allowed to distribute about the grounds or buildings hand bills or similar advertisements.

Exhibitors must be careful that entry tags are securely and conspicuously attached to their exhibits, otherwise the exhibits may not be considered in the awarding prizes.

BOOTHS AND SHOWS

No soliciting for any purpose will be permitted on the Exhibition Grounds except from within a booth or space allotted for that purpose.

In all cases the right is reserved to reject entirely, accept conditionally, or cancel any commissionaire's contract.

FIRE AND POLICE PROTECTION

While the most careful and thorough arrangements possible will be made to guard against fire, and the Police will be on duty night and day during the continuance of the Exhibition, the Association will not hold itself responsible for any loss caused by fire or theft.

ENQUIRIES

Enquiries as to the Exhibition and its arrangements before the opening should be addressed to the General Manager, Box 278, Portage la Prairie, MB, R1N 3B5. During the Exhibition enquiries may be made at the General Manager's office on the grounds.

JUDGING

Judges are particularly requested to adhere to the following rules:

- Judges are requested to check in at the Exhibition Office on arrival.
- Judges will please sign and hand in their list of awards to the Secretary as soon as possible, making such recommendations as circumstances or their experience may suggest.
- The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there is no protest to the awards in the classes they have judged.
- In the absence of competition in any section, or if the exhibits be of inferior quality, the Judges will award only such premiums as they think the exhibit deserving of. They will exercise their discretion as to whether they will award the first, second or any premium.
- It does not follow that, because a prize is offered for any animal or article, it must be awarded, unless there is a proper competition, or unless the exhibit is of sufficient merit to warrant the award being made. The Judges are particularly requested to note this fact.
- Judges, in making their awards, are to confine themselves strictly to the classes and sections in the prize list.
- In the event of an animal or other exhibit being entered in the wrong class in the opinion of the Judges, the Director in Charge may transfer said entry to the proper class, initial same and inform the Secretary.
- Exhibitors must ascertain from the Director in Charge of the several departments as what hour judging will take place; therefore, no complaints or appeals, based upon the statement that the Judges have overlooked exhibits, will be considered by the Board.
- Any Exhibitor lodging a protest must make it in writing and it must be delivered to the Secretary or assistant before 9:00 a.m. the day following the case of protest. It must state plainly the cause of complaint or appeal and must be accompanied by a deposit of \$5 which sum will be forfeited to the Association if the said protest is not sustained.
- No animal or article exhibited shall have about it any prize ribbons or cards until the awards have been made in their respective classes.
- **No person shall be permitted in the show rings during the time of judging except the Judges and Assistants, Persons in Charge of the animals, Directors of the Association and Members of the Press. Directors are forbidden to wear Association badges when showing animals in the show ring.**
- All prize ribbons which have been affixed by the Judges may be displayed upon the animals in leaving the judging ring and during the Exhibition.
- Any person who shall attempt to interfere with or influence the Judges while in the discharge of their duties, or who shall, on the premises of the Association, use contemptuous or abusive language to a judge, in consequence of awards made by him, shall forfeit his right to all premiums which he otherwise might have been entitled to, and may be excluded from exhibiting the next year.
- Upon discovery of fraud, deception or dishonest practice, either in the preparation, ownership of or any representation concerning exhibits which may have affected or have been intended to affect the decision of the Judges, the Board has the power to withhold the award and may prohibit any such party or parties from exhibiting in any class for one or more years and may also publish the names of such persons if deemed expedient.

FARM LIVESTOCK
ALL EXHIBITORS PLEASE NOTE:

1. In all cases, the right is reserved to reject entirely, or accept unconditionally any entry.
2. Entries to be received at the Office of the Secretary on or before Thursday prior to fair. No entries accepted on Fair days.
3. No classes will be added or changed, unless necessary due to low number of entries.
4. Alterations to buildings or stalls must be approved by the Fair Board.
5. All animals competing for prizes must be entered in the names of their bona fide owners.
6. All purebred animals entered must be in the registered ownership of the Exhibitor at entry date closing **JUNE 26, 2024**.
7. **Any late entries are subject to be charged double entry fee.**
8. **All Animals on Exhibit require an RFID ear tag.**

EXHIBITOR'S LIABILITY:

Exhibitors in every department of this Exhibit assume all liability for their exhibits or entries. All exhibits or entries are accepted for the Exhibition at the owner's risk, and the Exhibitor agrees to refrain from making claim for any loss, damage, injury or disease which may occur to his or her exhibit or entry while on the grounds of this Association. Exhibitors of animals liable to cause accidents, injury or damage to persons coming in contact therewith, and every Exhibitor shall indemnify the Exhibition from and against such claims and demands, costs and charges and expenses which may incur, suffer or be put to by reason of any accident or of any person being injured or suffering damage through or by any reason of any such exhibit not being properly guarded or the public not being properly protected therefrom.

HEALTH REQUIREMENTS — CATTLE & HORSES

1. Entries from the United States must be accompanied by a properly completed United States Origin Health Certificate Form 17-140 in order to cross the border into Canada. A Form HA 4L will be issued by the Canadian port veterinarian for entrance to the Exhibition.
2. All cattle entered may be subject to veterinary examination. The Exhibition Committee may immediately order the removal from the grounds, of any animal showing evidence of an infectious or contagious disease.
3. If any animal has been admitted to the grounds through an oversight, or develops any disease condition after admittance, the Committee may order its removal from the grounds.
4. Due to the increased incidence of BVD virus locally and provincially, the Fair board recommends vaccination of all female cattle being entered at the fair with a three-way BVD, IBR, pi3 vaccine two to three weeks prior to being brought to the fairgrounds. Taking care not to share watering and feed buckets with neighbors while at the fair will also help reduce the risk of exposure. This recommendation is in the interest of sound livestock management practices.
5. **For your own safety we recommend that your horse have been tested negative for EIA (Coggins). The Fair board assumes no responsibility and will not verify such on the grounds.**
6. **In respect of the past outbreaks of Foot and Mouth disease in the United Kingdom and Europe, livestock Exhibitors are advised that there is potential risk of disease transmission when cloven hoofed livestock (cattle, sheep, goats) are brought together at a location accessible to members of the general public. The Directors of the Portage Ex are confident in the efforts of the Canada Food Inspection Agency to prevent entry of disease into Canada. They have stepped up surveillance of travelers at ports of entry and are educating at risk travelers of how they can avoid putting Canadian livestock at risk.**
7. **In respect to the recent outbreaks of TB - all cattle being exhibited come from a TB free area or are accompanied by the appropriate movement permit issued by CFIA.**

**Exhibitors are reminded to familiarize themselves with the
"Exhibitor's Liability" section above.**

HORSE AND BUGGY:

The Horse & buggy represented the primary mode for both public and private transportation since prior to the Industrial Revolution.

Driving is one of the oldest and most popular disciplines within competitive equestrian sport.

Carriage classes pay tribute to this heritage and may include actual antique or replica carriages of the day.

Overall performance is evaluated in every class taking into account the ability of the horse to give a pleasurable drive, a horse that would drive out privately on the road and has a strong presence.

The driver's skill and ability as well as driver's turnout based on the appropriateness and quality of the vehicle, harness and driver appointment are taken into consideration.

In addition to Pleasure Driving Carriage Classes, other Carriage competitions may include single, tandem unicorn or four-in-hand and may be categorized as Turnout, Working, Timed Cones or Reinsmanship.

For the Exhibitor:

- Martingales and over-checks are prohibited for all vehicles; a false martingale is ok (a false martingale hooks the breast strap to the bellyband to hold breast strap in place).
- Side-checks optional. Must have breeching or thimbles.
