Portage Industrial Exhibition Association

Welcome to the 2025 Portage Industrial Exhibition!

Located on Portage la Prairie's 'Island on the Prairies' July 4th, 5th & 6th, 2025

On behalf of the Executive, Directors and Staff of the Portage Industrial Exhibition I would like to welcome everyone to the Portage Ex. We look forward to hosting this event every year and are excited to see everyone at this year's fair. The Portage Ex is proud to be one of Western Canada's oldest continuously running fairs. We have a busy schedule as always including activities for all ages and interests such as the Select Shows Midway, Horse and Cattle shows, Ricklyn Farm Petting Zoo, Vendors of all kinds and live entertainment nightly!

The MNP Exhibition Building will be full of crafts and baking made locally to be judged along with vendors offering a variety of items to buy. We have a large green space located by the office with children's activities and a place to take a rest while you visit our largest collection of food vendors yet!

Our grounds can be rented year-round including a great wedding venue at the MNP building and a wonderful campground close to all Portage has to offer including Splash Island Waterpark and the Portage Golf Club.

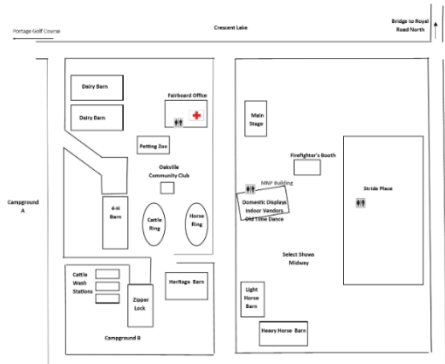

We would like all our past and present sponsors along with all our attendees for the continued support of our long running fair.

Our years worth of work comes to fruition at this year's Portage Ex and it would not happen without our hardworking staff and volunteers! We cannot thank them enough for all their hard work and dedication as we cannot have this fair without them!

Enjoy the 2025 Portage Ex!
