A.R. CASH

A JOURNEY BACK IN TIME

Recently named International Tribute Artist of The Year, Aaron Prociuk began **A.R. Cash in 2013 as a stylistically authentic tribute to Johnny Cash's music from the 1950's through the 1960's. With the addition of Ashley Robertson paying tribute to June Carter, the group entertains enthusiastic audiences sharing the history of Cash's early career and faithfully performing beloved hits like 'Folsom Prison Blues', 'Wildwood Flower' and 'Jackson'.**
